ICMPhotoMag Feedback Survey

One of the primary intentions behind ICMPhotoMag is to build a community, where the project is a benefit to all involved and the voices of the collective are heard. We value your feedback and want to hear from you about things such as:

- ✚ What you'd be interested in seeing in future issues
- ✚ Thoughts about how we can improve
- ✚ Comments on what you found most meaningful, interesting, or of value in the first issue

If you'd like to provide feedback on this first issue, this link will take you to a survey where you can let us know your thoughts:

Testimonials

There's also a spot at the end of the survey to leave a 'testimonial' if you are interested in having your comments about the e-magazine published on our website.

Thank you for your time and interest in being a part of this project.

Regards,
Stephanie
